

# Dufour Yachts announces second new model 2019

After the recent announcement of the new Dufour 390 Grand Large, Dufour Yachts comes out with a second product launch for year 2019, the Dufour 430 Grand Large.

The Dufour 430 also completes, without replacing, the actual models of the Dufour Grand Large range composed by D310 – D360 – D382 – **D390** – D412 – **D430** – D460 – D520.

The D430 is a brand new project, with a new hull generation, a new roof design, and the integration of high-end equipments and new on-board technology.

The complementary and flexible interior layouts options, as well adapted to the owners market as to the charters market, fits perfectly to the range.

The Dufour 430 Grand Large will be presented in World Premiere at the Cannes Yachting Festival 2018 – with her little sister D390.

## New hull design – wink to Exclusive range

The 430 Grand Large presents the next generation of Dufour Grand Large hulls. The signature of Umberto Felci, with the recent innovations inspired from the Dufour Exclusive range, is distinguished by the bulwarks integration and the magnificent hull recess. Furthermore, the important front volume and modern aft shines lines make this hull more spacious and performant.

## New deck – modernity and functionality

The new deck design is a prowess of balance between stunning aesthetic, correct dimension of each area and ingenuity to integrate new functions.

The roof proportions have evolved in comparison with Grand Large predecessors and now offer more interior space while conserving pleasant sidedeck width, as distinction value of Dufour sail yachts.

## Interiors – Millesime 2019

The Dufour 430 benefits from all the Dufour Yacht know-how in terms of interior layouts and finishing. It integrates a solid and functional furnitures. The cabins and heads are spacious and dressed with top quality materials. The standard configuration has been highly upgraded with USB plugs, led lights and various accessories, as well as equipments, as shown by the capacity of the water-boiler, increased from 20L to 40L.

## Layouts and specifications

The Dufour 430 is proposed in 2 layout versions and 3 woods, Moabi, Oak and Teak.
